Address

Industrious Space
1200 Morris Turnpike
Short Hills, NJ 07078

The space is actually at the Short Hills Mall – what used to be Saks. For reference, Industrious Short Hills is located above Crate & Barrel in the parking garage shared by Bloomingdales.

There are 2 ways to get to the NJ office entrance:

- Park in the outdoor parking lot outside of the Crate & Barrel entrance and enter the building.
 - When you are in, there are elevators and stairs to the left to take to the second floor.
 - You will need to reach out to your contact when you arrive as the space has key code entry – this is not the main entrance.
- Enter the covered Teal Parking Garage to the right of Crate & Barrel, bear to the right, and follow the overhead signs for Industrious to lead you to the 3rd level.
 - When you get to the 3rd level, turn right – the entrance to Industrious is at the far end.
 - You will need to reach out to your contact when you arrive as the space has key code entry.

Below is the map of where Industrious is located.
